## **ORDER TO CEASE AND DESIST AND ORDER TO SHOW CAUSE WHY CIVIL PENALTIES AND COSTS SHOULD NOT BE IMPOSED**

On the 9th day of June 2006, the Enforcement Section of the Securities Division (the “Division” or the “Securities Division”), by and through Patrick T. Morgan, Chief Counsel, submitted a Petition for Cease and Desist Order, Civil Penalties, and Costs of Investigation under Section 409.6-604, RSMo Supp. 2005 (the “Petition”). After reviewing the Petition, the Commissioner of Securities issues the following findings of fact, conclusions of law and order:

### **I. FINDINGS OF FACT**

#### *The Respondents*

1. At all times relevant to this Order, Petro-America Producing Oil and Gas Wells, Inc. (“Petro-America”) was a company operating in the State of Texas with an address of 1001 N. Sam Rayburn Frwy., Suite #111, Sherman, Texas 75090. Petro-America purportedly engages in the business of selling oil and gas interests.
2. At all times relevant to this Order, James Kosanke (“Kosanke”) was the President and Treasurer of Petro-America and had a business address of 1001 N. Sam Rayburn Frwy., Suite #111, Sherman, Texas 75090.
3. At all times relevant to this Order, Robert Harris (“Harris”) was the Vice President and Sales Manager of Petro-America and had a business address of 1001 N. Sam Rayburn Frwy., Suite #111, Sherman, Texas 75090.
4. As used in this Order, the term “Respondents” refers to Petro-America, Kosanke and

Harris.

### ***B. Missouri Resident***

5. On Wednesday, October 12, 2005, Respondents ran an advertisement in *The Wall Street Journal*. The advertisement stated:

**4 OIL / 5 GAS WELLS**  
Invest with \$12,500.  
Completed, Producing,  
Leased and Managed.  
**CALL: 1-800-439-1354**

(Emphases in original.)

6. On October 13, 2005, a Missouri Resident (“MR”) telephoned Petro-America and left a telephone message in response to the October 12, 2005 advertisement of *The Wall Street Journal*.
7. On October 17, 2005, MR received a phone call from Harris in response to the message left with Petro-America on October 13, 2005. During this conversation, Harris questioned MR’s investment experience relating to the oil and gas industry. MR informed Harris that MR had some knowledge in the field and that MR had previously invested in an oil and gas program.
8. Harris told MR that MR could lose MR’s entire investment if MR invested in Petro-America. Further, Harris stated that MR could earn a return of “a couple of grand a month” and that the oil and gas wells in question are expected to “produce nine (9) barrels a day.” Among other things, MR agreed to have Harris send MR a package outlining the investment offering.
9. On or about October 18, 2005, MR received a package from Petro-America by priority mail from the United States Postal Service outlining Petro-America’s investment program as discussed with Harris in the October 17, 2005 telephone conversation.
10. Among other things, the packet included:
  - a. A three-page introduction letter (“Introduction Letter”);
  - b. A document outlining a projection of the monthly returns based on oil prices.<sup>1</sup> Specifically, highlighted in yellow marker was a monthly return of \$1,951.00 if oil prices were \$60.00 per barrel;
  - c. Two (2) separate documents: one titled, “4 REFURBISHED OIL WELLS,” and the other, “5 REFURBISHED GAS WELLS,” located in Caddo Parish, Louisiana.
  - d. A four-page document titled, “Bill of Sale & Purchase Agreement” (the “Agreement”). The Agreement indicates that the “total offering is for 9 wells at a total price of \$400,000.00 for 100% WI, being 60% NRI”; and

- e. Numerous copies of color photos of the alleged oil wells and gas wells.
11. The Introduction Letter opened by thanking the reader for requesting the information “advertise[d] in the Wall Street Journal.” The Introduction Letter then continued:

Our main object is to make you 50% . . . return on your investment and much more. This is not a drilling program. Drilling for Oil is very risky. I will repeat this statement again. THIS IS NOT A DRILLING PROGRAM. Last year we were offering to the investors a 3 wells program for an investment of \$10,000.00, which was a very good investment. This investment program is greater than that.

AT THIS POINT WE NEED TO MAKE A CORRECTION. IN OUR AD WE STATED THAT THESE WELLS WERE PRODUCING OIL AND GAS WELLS. AT ONE POINT THESE WELLS WERE PRODUCING BUT NOT NOW. THESE WELLS NOW ARE REFERRED TO AS REFURBISHED WELLS (REWORKEDED WELLS). WE WILL HAVE TO BRING THESE WELLS BACK UP TO PRODUCTION. FOR AN INVESTMENT OF 12,500 YOU WILL OWN A 3.12 % INTEREST IN NINE (9) REFURBISHED WELLS. FOUR (4) REFURBISHED OIL WELLS AND FIVE (5) REFURBISHED GAS WELLS.

(Emphasis in original.) The Introduction letter then proceeded to describe the “four oil well & five gas well lease[s].” The Introduction Letter predicted that “[i]f each of these wells produce a minimum of 9 barrels per day at the Fredricksburg Formation . . . [then the participant’s] monthly check will be \$1,748.00 per month.” The Introduction Letter also suggested that this could be one of the “wisest” and “profitable investment[s]” that the participant could make. The Introduction Letter continued:

FOR AN INVESTMENT OF \$12,500.00 YOU WILL OWN A 3.12% INTEREST IN 4 REFURBISHED OIL WELLS AND 5 REFURBISHED GAS WELLS. We highly recommend that you purchase 2 units at 6.24% for an Investment of \$25,000.00 your [sic] rate of return will double. It’s required that you speak to me personally before you invest Mr. James E. Kosanke . . .

THERE ARE WELLS IN THIS FIELD THAT HAVE BEEN PRODUCING FOR OVER FIFTY (50) YEARS. THIS LITERATURE WILL NOT IMPRESS YOU BUT THE RESULTS WILL.

Your Business Partner,

J. E. Kosanke /s/

J.E. Kosanke, President  
BankOne  
A/B/A No. 111000614  
Account Name – Petro America Producing Oil & Gas Wells

(Emphasis in original.)

12. The Agreement also contained a section requiring that the “purchaser” attest that he or she is:

an “Oil and Gas industry, or related industry, company or individual”, and or Petroleum Professional, and as such, being a knowledgeable buyer of oil and gas properties, Is exempt from qualifying as an investor, and as such is exempt from any filing requirements of the “S.E.C.” as show in the “Securities act of 1933, sect. 4, sub. Sec. 2, rule 146, sched. “D”.
13. Since MR’s initial phone conversation with Harris on October 17, 2005, MR received at least 8 additional follow-up phone messages from Harris. During these messages, Harris, among other things, encouraged MR to invest in the 4 oil well and 5 gas well programs.
14. On or about January 22, 2006, MR received a phone message from Kosanke. Among other things, Kosanke identified himself as the President of Petro-America. He also stated that:
  - a. He was following up on the literature that Petro-America sent MR concerning the 4 oil wells and 5 gas wells;
  - b. “[O]nly a few positions were left available for investing”;
  - c. MR could see returns of \$2,000 per month on MR’s \$12,500 investment subject to the prices of oil and the performance of the wells’ production;
  - d. Kosanke highly recommended that MR acquire “a position as it’s the best oil investment he [Kosanke] has seen”; and
  - e. If MR were interested, MR should invest and that Kosanke would send MR additional literature on the investment program.
15. MR did not invest with Petro-America, nor is MR currently in communication with Petro-America, Kosanke, or Harris.

### ***C. The Division’s Correspondence with Petro-America***

16. On or about December 20, 2005, the Missouri Securities Division received information which indicated that Respondents had allegedly offered or sold securities in the State of Missouri.
17. On March 15, 2006, the Division sent a letter (the “March 15th letter”) via certified mail, to Respondents requesting a claim of exemption from registration; exception from definition of a security upon which Respondents relied in offering or selling any unregistered securities in or from the State of Missouri; or whether Respondents were offering and selling a federal covered security. The letter also requested information about any offers to Missouri residents and advised Respondents that failure to provide a written statement on or before March 29, 2006, could result in further proceedings to prohibit Respondents from offering or selling securities in Missouri.

18. On March 27, 2006, the Division received a letter from Kosanke dated March 22, 2006. The letter responded to the Division's March 15th letter. In his letter, Kosanke, among other things, stated:
  - a. That Petro-America "has not sold nor contacted Missouri residents for sale [sic] oil and gas well securities in Missouri."
  - b. That "I became associated with Petro-America on 9/1/02 and purchased Mineral Leases of the Southwest on 8/1/05. Rest assured that if sales in the STATE of Missouri are contemplated Petro-America will submit the appropriate documents prior to contacting residents of MISSOURI." (Emphasis in original.)
19. On March 28, 2006, a representative of the Division received a telephone call from Kosanke. Kosanke stated he had received the Division's March 15th letter. Among other things, Kosanke stated that:
  - a. To the best of his knowledge, he or his business manager, Robert Harris, had not conducted any business in or from the state of Missouri;
  - b. He did place an advertisement in *The Wall Street Journal*, but that no one from the State of Missouri ever invested with Petro-America as a result of the advertisement.
  - c. He filed a "Reg D 504" with the United States Securities and Exchange Commission and that the offerings should be exempt under the federal rule. Additionally, he stated he filed the form in early or mid-2005.

### ***F. Additional Findings of Facts***

20. A check of the records maintained by the Missouri Commissioner of Securities revealed no registration, granted exemption, or notice filing indicating status as a "federal covered security" for any securities allegedly offered by Respondents in Missouri.

### **III. CONCLUSIONS OF LAW**

38. The Commissioner has jurisdiction in this proceeding and over these Respondents under Section 409.6-601(a), RSMo.

40. The facts described in paragraphs 5 and 8-14 are “attempt[s] or offer[s] to dispose of, or solicitation[s] of an offer to purchase” the securities described above and are thus “offers to sell” a security under Section 409.1-102(26), RSMo, in the State of Missouri.
41. Based upon the facts in paragraphs 1, 2, 11, 14, and 19, Kosanke acted as an “agent” as defined under Section 409.1-102(1), RSMo, for Petro-America in the State of Missouri.

Missouri.

43. Based upon the facts in paragraphs 1, 5, 7-14, and 19, Petro-America acted as an “issuer” as defined under Section 409.1-102(17), RSMo, in the State of Missouri.

**IT IS FURTHER ORDERED** that, pursuant to Section 409.6-604(d), RSMo, the Commissioner will determine whether to grant in a final order the Enforcement Division's petition for an imposition of a civil penalty of \$10,000, whole or in part, against each Respondent for the above violations unless Respondents request a hearing and show cause why such penalties should not be imposed.

**IT IS FURTHER ORDERED** that the Enforcement Section has petitioned for an award for costs of the investigation against Respondents in this proceeding. Pursuant to Section 409.6-604(e), RSMo, the Commissioner will issue a final order awarding an amount to be determined after review of evidence submitted by the Enforcement Section, unless Respondents request a hearing and show cause why an award should not be made to the agency.
